

The **Tex 230 PE** is the king of the medium-weight breaker range. It can literally handle all the tasks you want to do. Like **Tex 280 PE (8461022633)**, it also comes with a single cast body and thus it does not require bolts to keep the machine together. The **Tex 230 PE** Pneumatic Jackhammer has around 30 to 35 fewer parts than the usual breakers. Lesser parts and the single cast body reduce the maintenance cost. Tex 230 PE comes in three different shanks 32 x 160 mm, 28 x 160 mm, and 25 x 108 mm.

What is good about it?

- Balanced Performance
- Solid Body
- Smooth Breaking

Specification

Model #	TEX 230 PE	
Weight with silencer	25.5 kg	56 lb
Length	625 mm	24.6"
Air consumption	30 l/s	64 cfm
Blows per minute	1320	
Shank size (standard) - 8461 0225 35	32 x 160 mm	1¼" x 6¼"
Shank size (optional) - 8461 0225 34	28 x 160 mm	1⅝" x 6¼"
Shank size (optional) - 8461 0225 31	25 x 108 mm	1" X 4¼"
Retainer type	Latch
