

The **Tex 05 PE** Chipper (**8461021910**) is the upgraded version of the **Tex 05 P** (**8461021900**) Chipping Hammer from the lightweight hammer category. Thanks to the HAPS, your hands are saved from vibration, and the round design of the retainer gives you the comfort to hold and do the overhead renovations.

Tex 05 PE comes with reduced vibration and sound which give the comfort to work for long without any issue. The large D Handle of **Tex 05 PE** gives the room to use the hammer comfortably even after wearing gloves.

What is good about it?

- Power to weight ratios
- Easy change of steels
- Multipurpose picks

Where it is used?

- Soil digging
- Soft / medium materials like brick to tough concrete
